Welcome

CUT ALONG DASHED GUIDELINE

As the teacher I expect the following from each student:

- To be on time and prepared for class each day
- To meet all deadlines (all assignments are due at the beginning of each class on the due date)
- To remain seated until the bell rings
- To use your time wisely
- To always give 100% on assignments
- To be an active member of the classroom by positively contributing
- To work well with others
- To seek additional help if needed

As a student in my class you can expect the following:

- I will treat you with respect and courtesy at all times
- Your opinions, thoughts, ideas and questions will never be “put down”
- I will strive to make the class a comfortable and productive learning environment for you
- I will support your academic goals and help you to achieve them any way I can
- I will always make myself available to you

Students are responsible for appropriate behavior on the school's computer network just as they are in a classroom or while attending an after school activity or athletic event. Communications on the network are often public in nature. General school rules for behavior and communications apply. The students are advised never to access, keep, or send anything that they would not want their parents or teachers to see. Network storage areas may be treated like school lockers. Network administrators may review communications to maintain system integrity and to insure that students are using the system responsibly.

Make-up Work

If you are absent, you are given the number to days to make up the missed work equal to the number of day you were absent. If you are absent the day of a test or quiz, be prepared to take the test or quiz the first day you return. If you are absent on the day of a group presentation, the group will present to the best of their ability and an alternative assignment may be required from the absent member. Any missed work will be entered into the grade book as a zero until the grade can be replaced.

Late homework without an excused absence will receive a 50% late penalty. Exceptions will be considered on an individual basis.
